

PARAMOUNT RULES OF THE ROAD (2019)

1. At its sole discretion, Paramount Resources Ltd. reserves the right to set seasonal load restrictions and to impose temporary road bans as road conditions warrant.
2. At its sole discretion, Paramount Resources Ltd. reserves the right to impose temporary road bans, as road conditions warrant. While the road bans are in effect, a fee per load shall be levied, above and beyond all other road use fees.
3. If weather conditions change after a move notification is granted, additional contact is required to discuss the road condition.
4. Grantee must ensure that all Contractor's and Sub-Contractor's carry a copy of the Master Road Use Agreement and associated Addendum in an effort to eliminate any unnecessary delays to the User.
5. All loads hauled on Paramount Resources Ltd. roads shall conform to Alberta Transportation Rules and Guidelines.
6. Obey all posted warning, stop, speed, and regulation signs. Driving over the posted speed limit on any Paramount road will result in a fine and may result in loss of road use privileges.
7. All heavy loads shall slow to 20 km/h when crossing bridges. Posted bridge load ratings must not be exceeded.
8. Tire chains may only be used during adverse winter/frozen/slippery conditions. Repairs for road damages resulting from continued use of chains when not required will be the responsibility of the user.
9. No stopping or parking on road except in the case of an emergency.
10. All accidents, incidents, and near misses must be reported immediately to Paramount Resources Ltd. personnel with a follow-up investigation report.
11. All vehicles must slow down when meeting on-coming traffic or when meeting or passing a grader.
12. All vehicles must travel with their headlights on at all times.
13. When hauling large and/or wide load, flashing beacons will be used at all times.
14. Whenever possible, all heavy, slow loads shall allow traffic to pass when safe to do so.
15. If more than one big truck is on the road, then a reasonable spacing between trucks must be administered. This will be contingent upon the time of day, road conditions, road traffic, and visibility. (Driver Safety is the foremost goal.)
16. All garbage must be secured in the back of vehicles so it cannot blow out.
17. Practice defensive driving and extend common courtesy to all road users
18. Use of firearms on or adjacent to the road is strictly prohibited.
19. Grantee must provide signage and road control (if required) at their cost.
