Further road bans may be implemented at any time if conditions continue to deteriorate. Any traffic over 1 ton must have prior authorization before travelling on these roads. Paramount will be monitoring these roads closely with road patrols throughout this time. It is the Grantee's responsibility to notify all field staff, contractors, engineers and other employees covered under your Road Use Agreement with Paramount Resources Ltd of the contents of this letter. Damages resulting from continued use in wet or unfrozen conditions will be the responsibility of the road user and may result in lost road use privileges and additional charges to repair the damages. All other road rules and regulations still apply.

Your cooperation in limiting damage to Paramount roads during the Spring Break-up period and beyond is much appreciated. If there are any questions regarding road use agreements or if you require an agreement, please contact the Road Use department roaduse@paramountres.com
